

St Leonards and St Ives Village Hall BROADBAND ACCESS PRICE LIST as at June 2009

Regular users - computer groups etc - **£1.00** per session, per room

In addition to the normal hiring fee for the room/s, Broadband access is charged at £1.00 per session. If your group meets regularly, say 9am-noon in the Annexe each week, you will be charged £1.00 per week. If your group grows to say 9am-5pm using both the Annexe and the Main Hall you will pay £4.00 per week – 2 sessions at £1 each in two separate rooms

Occasional users – special occasions, parties etc - - **£5.00** per occasion

The access provided is wireless or wired, the latter using a socket on a 20m extension cable which merely needs plugging into the broadband socket in the room you are using. We can also provide a 13amp extension lead. We make no charge for these but use is subject to availability. Hirers must ensure they return these cables at the end of each session or they will be charged for replacements at £20 each

Internet Cafe - **£1.00** per 30 minute session including free mentoring if you need help

Opening 6 July, sessions run from 9:30 – 12:30 every Monday morning

Hire of equipment

You are welcome to bring your own PCs, laptops, printers, scanners etc but if that is inconvenient our own equipment can be hired subject to availability:

Desktop PC, Monitor, Keyboard, Mouse, Scanner and Printer	£10.00 per session or £15.00 for a double session on the same day. This price covers all the listed equipment regardless of whether you use all of it. Printed sheets are charged separately
